

At An Arizona Mosque, A Christ Follower Explains Christian Zionism.

We Hold These Truths representatives have been invited to speak at numerous mosques about our Christian ministry that challenges Christian Zionism, a form of Neo-Christianity that is less than 150 years old. Christian Zionists hold fast to the belief that the modern state of Israel is a fulfillment of biblical prophecy.

In 2012, Tom Compton of We Hold These Truths was invited to make a presentation at the Al-Mahdi Islamic Center in Tempe, Arizona for their International Day of Al Quds (Jerusalem) program. An audio recording was made of the PowerPoint presentation. In this video version, the original audio recording was used using additional photos and videos to bring the challenges being made to Christian Zionism, up to date. For background on the subject, our award winning documentary, "[Christian Zionism: The Tragedy & The Turning, Part I](#)" exposes Christian Zionism's false theology. We are encouraged to see that there is a very gradual turning away from Christian Zionism and a greater awareness of this Un-Christ like theology. 28 minutes.
