

Christian Zionism

This largely political activity is a lifelong work of discovery by the founders of **We Hold These Truths**. Christian Zionism is confusing because it masquerades as a faith.

We may have been the first to define Christian Zionism as: "the belief that the present day State of Israel is the fulfillment of Biblical prophesy."

As such, Israel has assumed a semi-god status in the minds of some 50 million or more professing Christians.

Milestones along our path of discovery:
