

WHTT and Two Jewish Activist Groups Challenge Christian Zionist Event at SF Synagogue

Two groups of Jewish activists from **Jewish Voice for Peace** and **IfNotNow**, in addition to members of **We Hold These Truths**, challenged the program, "Christian Zionists-Why Evangelicals Support Israel,?" presented by David Brog, and sponsored by the **Israel Action Committee**, at the **Congregation Emanu-El** synagogue in San Francisco. David Brog has been associated with **Christians United For Israel**, whose founder John Hagee has publicly [prayed for war against Iraq](#) and called for [pre-emptive strikes on Iran](#). **We Hold These Truths** has been challenging Christian Zionism's war willing attitude that contradicts the teachings of Jesus for over 15 years. (See: **Christian Zionism: The Tragedy & The Turning, Part I**)

Jim Haber, a member of **Jewish Voice for Peace** joined with Patty Ford of **We Hold These Truths**.

Craig Hanson (l.), **WHTT's** CA Outreach Director, organized the vigil at **Congregation Emanu-El** in San Francisco.

In this podcast, Chuck Carlson interviews vigil leader, Craig Hanson and members of **WHTT** about the importance of this milestone vigil.
